MOSCATO ROSA 2014

IGT delle Venezie

In the region Venezie, North east of Italy, Moscato Rosa is an indigenous vine, that generates a very typical wine with strong perfumes of red berries and a distinctive prevalence of raspberries. After some years of aging, more complex aromas of dried figs and dates, almonds and nuts are developed.

Vinified off the skins after a cool maceration of one day, it shows a very charming ruby red color of moderate intensity and an extraordinary soft taste thanks to absence of tannins.

Still, perfumé, with a non aggressive residual sugar, the remarkable balance of this wine is the essence of its originality and value. Excellent both as a light dessert wine and as a fresh, fruity aperitif. Serve at 10° temperature.
